## BIOGRAPHY

**BIRTHDATE** - Dec. 8, 1996

**INTERESTS** - Music & Arts,  
Backpacking, Outdoor Recreation,  
Travel, Public Space Development

Nate is an experienced Audio Engineer, visual content designer, and customer support specialist with a demonstrated history of working in the audio, tech, and design fields. Nate is eager to leverage his technical, project management, and creative audio skills to pursue his passions of multi-disciplinary audio production/engineering, project management, creative content development, and customer support. Nate is also an avid multi-instrumentalist, producer, performer, and overall gear enthusiast/audiophile. Nate thrives as both an independent worker and collaborator, is extremely organized, and is accustomed to juggling a variety of projects with tight deadlines.
